

University of Cyprus Student Innovators Competition - SINN2021

April 14th 2021

<https://www.c4e.org.cy/sinn2021/>

Please submit complete form via e-mail until **March 29th 2021** to:
c4e@ucy.ac.cy

Entry Guidelines and Conditions of Participation:

- The competition is open to teams (of max 6 participants) and individuals who are students (graduate, post graduate and Phd candidates) at the University of Cyprus.
- The proposals must be submitted via email to c4e@ucy.ac.cy
- Candidates are required to complete the application form (located below) with information about their team and a brief description of their project (questions 1 and 2 on application).
- At most 10 applications will be selected as finalists, and will be invited to pitch their idea in English or Greek, within 5 minutes, to a panel of judges and to the public, followed by 5 minute Q&A session.
- For the presentation pitch you can use slides. If you have a working prototype, a video or live demonstration, you can show it during your talk but this should not add time to your presentation beyond the 5 minutes.
- You can only submit one idea per team.
- Individuals must participate in **only one team**.
- Applications for the final 10 of Student Innovators 2021 will be selected based on the Criteria mentioned at the SINN website.
- Student Innovators reserves the right to use and publish the title and brief description of the project in the application form, in its web sites and other media outlets. However, other details submitted on the proposal will be kept confidential. If you are concerned about protecting your idea, do not put any protected information in your short description.
- By applying you agree to abide by the University's Rules, Regulations and Academic code of conduct regarding academic integrity and plagiarism. Violation of these regulations by a participating team or member thereof may render their participation void.
- The SINN organising committee reserves the right to exclude any application that, in their sole and absolute discretion, determines it does not fit within the Entry Guidelines and Conditions of participation of the Competition.
- Participants are strongly encouraged to regularly visit the Competition website for any updates/changes

*Please note that it does not mean that mature ideas or projects have any advantage over an initial idea

*Keep your responses to up to 100 words each

1. Project Title:

2. Idea/Project Brief Description:

Please explain briefly what is your idea about

3. Define the problem you want to solve:

4. Briefly explain how you will solve this problem?

5. What is your competitive advantage and target market? (This also applies for socially oriented projects)

5. At what stage is your idea?

- Just an idea
 I did some market research
 I am developing a prototype
 The idea is tested
 it is a launched startup
